Forecast for Friday 28 Aug 2020

Weather: Mainly light overnight rain will clear southwards through Friday morning. From late morning the cloud will start to break up allowing some sunny spells. Strong northerly winds will affect the area through much of the day. Dry with clear skies overnight.

Chance of cloud free mountain/hill tops above 700m: Low cloud likely to affect mountain tops through the early hours but soon clearing.

Visibility: Generally very good outside of rain.
